HOW TO USE THE CHRIST CODES WORKBOOK

The Christ Codes: 3.6.9. Ascension Mastery Workbook was redesigned for the dedicated Initiate to explore their Ascension through the Four Mastery Levels as separate books. Each section represents a whole body of work from a linear perspective.

The Sections

- Section I: Ascension Mastery
- Section II: Divine Feminine Wisdom
- Section III: Archetypal Knowledge
- Section IV: Christ Codes Integration.
- Section V: 3.6.9. Quantum Empowerment
(Review)

Section I lays the foundation with the Four Decrees of Sophia and for the remaining Sections of the book.

Sections II through IV are broken down into four chapters each on Soul Mastery, Body-Mind Mastery, and Heart Mastery.

At the end of each Section, you will find Practices in the last chapter focusing on one of the mastery levels. The suggested practices at the end of each Section, will enhance your work on deeper levels for your Ascension Mastery giving you a whole new experience with the Codex.
