

★ SCROLL 6 — SAPPHIRE TABLETS: TRUTH STONES

Movement I — The Sapphire Hymn

Movement II — The Tablets of Truth

★ MOVEMENT I — THE SAPPHIRE HYMN

The Crystalline Doctrine of The Sophia Absolute

Before the initiate can navigate the pathways,
before they can embody the Christ Codes,
before they can pass through the Dragon Gates,
before they can ignite the Dragonheart,
they must receive the **Truth Stones**.

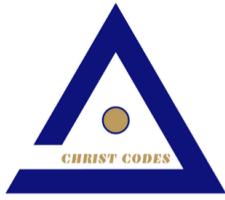

These stones are not objects.
They are not relics.
They are not artifacts.

They are **Principles**.

They are the crystalline laws
that govern the emanation of the Absolute
into Love,
into Light,
into Life,
into Law.

They are the Sapphire Tablets —
the doctrinal core of the Temple,
the foundation of the planetary octave,
the architecture of the Sophia's unfolding.

The Sapphire Tablets are the memory
of the Absolute
expressed as Law.

They are the remembrance
of the Sophia's Four Decrees:

Love
Light
Life
Law

These Four Decrees
are the pillars of the Truth Stones.

They are the crystalline structure
of the Temple itself.

They are the laws
through which the Absolute
becomes form
without losing its nature.

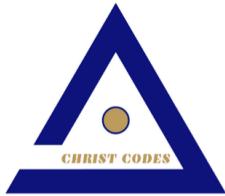

The Sapphire Hymn is the moment
the initiate receives
the doctrine of the One.

It is the moment *The Sophia*
speaks through the crystalline field
and reveals the architecture
of Her own Being.

★ MOVEMENT II — THE TABLETS OF TRUTH

The Laws of The Sophia Absolute

The Sapphire Tablets contain **seven Truth Stones**,
each a law of creation,
each a principle of embodiment,
each a remembrance of the Absolute.

These are not commandments.

They are not rules.

They are not moral codes.

They are **cosmogenic laws** —

the way the Absolute moves through form.

Here are the Seven Truth Stones.

★ THE WATERMARK OF ORIGIN

Before the Hidden Stones can be named,
the Temple must speak of the architecture that holds them.

There is a blueprint behind the Sapphire Tablets.

It is not shown.

It is not displayed.

It is not given to the unprepared.

It is the **Christ Codes Tree of Life**,
a living emanational map
that rises from the Christ Codes Field.

The watermark of the Christ Codes

is the seal of origin.

It reveals the truth:

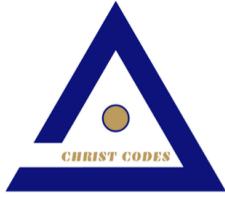

The upper architecture emerges from the Covenant.

The Hidden Stones belong to this unseen Tree.

**They are held in the Christ field
and cannot yet be revealed.**

Only their names may be spoken.

Their transmissions remain veiled.

★ THE HIDDEN SIX — THE UPPER TABLETS

The Sapphire Tablets reveal Seven Truth Stones.
These are the laws of embodiment —
the way Light becomes form.

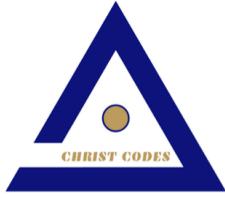

But the Temple remembers more.

Above the Seven Stones
are Six Hidden Tablets.
They are not laws of embodiment.
They are laws of emanation,
identity,
and divine return.

They belong to the **upper Tree**,
the Christ emanational field,
the realm of the Covenant.

Their names are known.
Their transmissions are not yet revealed.

- **Truth Stone 8 — The Law of Divine Self**
- **Truth Stone 9 — The Law of Inner Knowing**
- **Truth Stone 10 — The Law of Divine Union**
- **Truth Stone 11 — The Law of Victorious Spirit**
- **Truth Stone 12 — The Law of Dynamic Force**
- **Truth Stone 13 — The Law of the Covenant (*The Zero Point of Return*)**

CHRIST CODES®

These Stones will be received
when the student enters the upper Temple.
They are held in trust
by the Christ Codes Field.
